Accounting 414 and 431 are both prerequisites to the MAcc program; therefore, students planning to enter the MAcc program should take ACC 414 or 431 (whichever was not taken to satisfy the major requirement) instead of IM 442 in the Information Management collateral, LOG 421 in the Logistics collateral, FIN 455 in the Finance collateral, and one of three required courses in the International Business collateral.

**Students pursuing the International Business Collateral will be required to complete a study abroad experience approved by the College of Business Administration Undergraduate Programs Office and enrollment in International Business 489.
