⁶Students completing the international business collateral will substitute Management 402.

*In the Spring of their third year, students normally make the decision whether to enter the job market upon graduation or apply to the Master of Accountancy program. Accounting 414 and 431 are both prerequisites to the MAcc program; therefore, students planning to enter the MAcc program should take Acc 414 or Acc 431 (whichever was not taken to satisfy the major requirement) instead of Information Management 442 in the Information Management collateral, or for Logistics 441 in the Logistics collateral, for Finance 455 in the Finance collateral, and for Management 471 in the International Business collateral. Accounting 414 and 431 are both prerequisites to the MAcc program.

**Students pursuing the international business collateral will be required to complete a study abroad experience approved by the College of Business Administration Undergraduate Programs Office and represented by enrollment in International Business 489.

NOTE: Only in exceptional cases will an application for transfer students be considered after 75 hours of coursework have been attempted.
