Progression of students in the Bachelor of Science in Social Work (BSSW) program to courses numbered 312 and above is competitive and is based on capacity. Factors considered include overall grade point average, performance in selected lower-division courses, and personal qualifications deemed acceptable for entrance into the professional practice of social work. **Students planning to enroll in SOWK 312 in the fall semester must complete and submit the BSSW Progression Application Packet by February 1. Students planning to enroll in SOWK 312 in the spring semester must complete and submit the BSSW Progression Application Packet by September 1.** These minimum standards for consideration do not guarantee enrollment in SOWK 312 and progression to upper-division status within the college. The final decision for enrollment in SOWK 312 and progression to upper-division status resides with the department head or designee. The application packet can be found at http://www.csw.utk.edu/bssw/bssw_application.htm

***Honors courses: All declared social work majors with a cumulative grade point average of at least 3.5 are invited to apply for admission to the Social Work Honors Program. Transfer Transition Guides

These guides, unless otherwise stated, provide an eight-semester plan for earning an associate degree at Walters State Community College and a baccalaureate degree at the University of Tennessee, Knoxville. When students enter UT Knoxville, they must meet the standards and follow the procedures outlined in the University's current Undergraduate Catalog.

1. Student transferring to UT Knoxville from two-year institutions must complete 60 semester hours at a senior institution.

2. The final 30 semester hours must be completed in residence at UT Knoxville.

3. Transfer students will have their progress tracked with uTrack – a tool that identifies milestones that are designed to keep students on track for timely graduation. For the 2016-2017 Transfer Transition Guides, milestone courses are indicated in *red*. Transfer students and counselors should review the UT Knoxville catalog (<http://catalog.utk.edu/>) for question concerning milestone completion for specific majors.

4. Students whose native language is *not* English may complete the foreign language requirement found in many transition guides by completing the English Composition requirement and any two-course literature sequence.

5. Grades earned at other colleges and universities are used only for admission, course placement, and other academic decisions at UT Knoxville. Although grades earned at other colleges and universities are not included in the UT Knoxville GPA, many UT Knoxville programs require a grade of "C" or higher in certain courses – including freshman composition.
