

**2016-2017 UTK Transfer Transition Guide**  
**Major: Electrical Engineering**

This program DOES NOT lead to an associate degree from Walter's State Community College. \*Consult with your Walters State faculty advisor to determine what additional courses would be required to attain an Associate of Science degree in Pre-Engineering.

*RED courses are milestones.*

<sup>1</sup>Humanities/Fine Arts elective chosen from ARTH 1030, 2010, 2020; ENGL 2110, 2120, 2210, 2220, 2410, 2420; HUM 2010; MUS 1030; PHIL 1030, 2400; THEA 1030

<sup>2</sup>Culture/Civilizations elective chosen from HIST 1110-1120; PHIL 2210; or an intermediate foreign language sequence (FREN 2010-2020; SPAN 2010-2020). Note: International students (F-1, J-1) are required to study US History HIST 2010-2020.

<sup>3</sup>Social/Behavioral Science elective chosen from GEOG 1030, 2010; POLS 1030, 2100; PSYC 1030, 2130; SOCI 1010, 1020, 1240

<sup>4</sup>Prerequisite(s): CISP 1230/1231 or four years of high school math. See WSCC advisor to discuss this prerequisite.

\*Students can earn an Associate of Science degree in Pre-Engineering by completing HIST 1110-1120 in order to satisfy the WSCC history requirement as well as the UTK Cultures and Civilizations requirement. Student would also need to take these additional courses which are not requirements at UTK: one English literature course, SPCH 1010, one additional Behavioral/Social Science elective, and successfully complete of the computer competency requirement ([www.ws.edu/academics/technical-ed/computer-competency/](http://www.ws.edu/academics/technical-ed/computer-competency/)). Students who have questions or would like more information regarding the associate degree requirements need to contact their WSCC advisor.

To be considered for admission to the College of Engineering at UT requires a minimum GPA of 2.80 and a C or better in ENGL 1010, MATH 1910, and CHEM 1110/1111. These minimum standards for consideration do not guarantee being admitted. The final admission decision for the major resides with the department head or designee. If the student has completed any physics course, he/she must have a grade of C or better. The overall record will be evaluated for quality and seriousness of purpose. An excessive number of withdrawals, incompletes, repeated courses, or failures may result in denial.

**University of Tennessee, Knoxville**

**Progression:** The EECS department requires at least a C in every computer engineering, computer science, electrical engineering, and mathematics course used for the degree. Students taking ECE 201 must also have a C or better in EF 152/158. Progression of students to the upper-division courses is competitive and based on space available. Factors considered in the decision include overall GPA, grades earned in courses required in the lower division curricula and seriousness of purpose as exemplified by regular and orderly progress through the prescribed curriculum without abuse of withdrawal and course repeat privileges. Transfer students for whom ECE 201-202 transfer credit is given may take 9 semester hours in EECS courses before progression evaluation.

## Transfer Transition Guides

These guides, unless otherwise stated, provide an eight-semester plan for earning an associate degree at Walters State Community College and a baccalaureate degree at the University of Tennessee, Knoxville. When students enter UT Knoxville, they must meet the standards and follow the procedures outlined in the University's current Undergraduate Catalog.

1. Student transferring to UT Knoxville from two-year institutions must complete 60 semester hours at a senior institution.
2. The final 30 semester hours must be completed in residence at UT Knoxville.
3. Transfer students will have their progress tracked with uTrack – a tool that identifies milestones that are designed to keep students on track for timely graduation. For the 2016-2017 Transfer Transition Guides, milestone courses are indicated in *red*. Transfer students and counselors should review the UT Knoxville catalog (<http://catalog.utk.edu/>) for question concerning milestone completion for specific majors.
4. Students whose native language is *not* English may complete the foreign language requirement found in many transition guides by completing the English Composition requirement and any two-course literature sequence.
5. Grades earned at other colleges and universities are used only for admission, course placement, and other academic decisions at UT Knoxville. Although grades earned at other colleges and universities are not included in the UT Knoxville GPA, many UT Knoxville programs require a grade of "C" or higher in certain courses – including freshman composition.
